Customer Comments

Gentlemen and gentlewomen,

Thanks for the last order of shoes. I know that when I buy Mason shoes, I will get a quality product. I have worn your shoes for the last thirty years. I am always telling my friends to buy good shoes and they will get rid of their aching feet and backs, but they say they cost too much. I tell them that the cost is well worth it to lose the sore feet and back. Mason shoes are the best, in my opinion. Thanks again and keep up the good work.

David Wittenburg

Dear B.A. Mason,

I love the shoes and so do all of my friends. Even strangers said, "Love your shoes."

The fit is perfect, delivery time was great, didn't have to wait a month before they arrived. The order person was very nice.

Another great thing about these shoes is, I can dance in them. My husband and I like to go dancing and it's so hard to find a pair of shoes that doesn't have a non-slip sole.

Thank you,
Shirley Hale
